

1. It the patients/parents/guardians responsibility to call and schedule the appointment with the specialist.
2. After the appointment has been scheduled with the specialist, the patient/parents/guardians will need to call SFP referral coordinators to request a referral. It is also your responsibility to have all the info requested when you call in for the referral.
- 3. Please allow 3 business days for most insurances and 5 to 7 business days for Tricare and Cigna Connect,for referrals to be completed.**
4. SFP will then fax refall to specialist call you and let you know that your referral is ready for pick up.
- 5. No referrals will be processed on an urgent basis unless medically necessary.**
